**Sí se puede: Crónica de un cambio (Spanish Edition)** Fernando Canales Clariond

Desde su óptica, el autor describe en este libro la transición a la democracia en Nuevo León y en México, en el contexto de los acontecimientos internacionales y nacionales, así como los factores históricos y sociológicos que influyeron en los procesos políticos. Como protagonista de estos episodios en la historia de México, comparte su experiencia en la conformación de los primeros gobiernos emanados del PAN en el estado de Nuevo León y en el Gobierno Federal. Describe los logros y las dificultades que se vivieron, analiza las causas y apunta sugerencias y alternativas creativas de solución a uno de los problemas endémicos de México: la falta de unidad y de confianza. Crítica objetiva, análisis de aciertos, análisis de errores, anecdotario histórico-político, posturas categóricas y propuestas de cambio. Eso y más encontrará el lector en *Sí se puede. Crónica de un cambio*.
