An Epic Poem in the tradition of *The Iliad* of Homer and John Milton's *Paradise Lost*, *The Voice Celestial* bridges the centuries that have passed since Jesus Christ gave his message to mankind and links that message to our present age. The Wayfarer makes his journey through the world's great religions to the mysteries of Egypt, and finally to Jesus Christ, being changed in the process, and discovering along the way that we live in a loving universe, where all men and women are masters of their own destinies.
