Denver In Slices (Horizon Bioethics) Louisa Ward Arps

The Old West has been viewed from many perspectives, from the scornful to the uncritically romantic. But seldom has it been treated with the honest nostalgia of the wonderful accounts and pictures gathered in *Denver in Slices*.

Ohio University Press/Swallow Press is proud to reissue this Western classic, which includes a brief survey of all Denver history, some slices depicting the most fascinating places and characters. The City Ditch, Cherry Creek, River Front Park, the Denver Mint, the Tabors, the Windsor Hotel, the Baron of Montclair, Overland Park, Buffalo Bill, Elitch's Gardens, and Eugene Field—they're all here. Illustrating these stories is an array of nearly one hundred pictures of the people, buildings, and street scenes: a fascinating panorama of the gold rush camp that became the Rocky Mountain metropolis.

With a new foreword by renowned Denver historian Thomas J. Noel, this classic will once again help preserve Denver's lively past.
