Destiny Series (6 Book Series) Toni Blake

From Book 1:

It's tough to play it cool on a sultry summer night . . .

The perfect daughter. The perfect prom queen. The perfect wife. Jenny Tolliver's been the good girl all her life, and it's gotten her nowhere. Now that her marriage has been busted up by her cheating ex, she's decided it's time to regroup and rediscover herself. This summer she's headed back to her hometown of Destiny, Ohio, to the very lakeshore cottage where she grew up, to figure out what life holds in store for her next.

She never dreamed the answer would be Mick Brody, Destiny's #1 hellraiser. He comes from the wrong side of the tracks (or in his case, the lake), and he's landed in hot water more times than he can count. He's exactly the kind of guy Jenny's always kept her distance from . . . but soon the good girl and the bad boy are caught in a raw heat that's out of control. Too bad Mick's got a secret that threatens to tear them apart and ruin Jenny's perfectly, passionately reckless summer . . .

So , for every you who want to start reading as your good habit, it is possible to pick Destiny Series (6 Book Series) become your own personal starter.

Robert Leggett:

As a scholar exactly feel bored to help reading. If their teacher inquired them to go to the library in order to make summary for some guide, they are complained. Just very little students that has reading's spirit or real their hobby. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that looking at is not important, boring in addition to can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Destiny Series (6 Book Series) can make you truly feel more interested to read.
