About the Book

The PreTest Clinical Science Series prepares medical students for USMLE Step 2 CK, which assesses students' medical knowledge of core clinical topics with multiple-choice and matching questions. Useful as reviews for clerkship exams following core clinical rotations, each PreTest book contains 500 questions with complete but concise answers referenced to leading textbooks and journal articles.

Discussions review correct and incorrect answer options to reinforce learning. The Third Edition of *Emergency Medicine: PreTest* simulates the USMLE Step 2 CK test-taking experience by including 100% vignette-style questions and updates on the latest guidelines and procedures in emergency medicine. To ensure that questions are representative of the style and level of difficulty of the exam, each PreTest book is reviewed by students who either recently passed the Step 2CK of the boards or completed their EM rotation.
