Choosing the right travelling companion for that trip of a lifetime is a tough task, yet *Stormrider Surf Stories* makes life easy by offering something for everyone who is on a journey of enlightenment through Indonesia. This insightful hoard of fact and stranger than fiction showcases the cultural depth and natural beauty of this incredibly rich land and brings together many of the greatest tales from Aceh to the Arafura Sea. Join the pioneers and share their experiences as they hack their way through the jungles of Nias, the Mentawai Islands, G-Land, Sumbawa and Sumba, searching for the perfect wave around the next headland. Feel the terror as survivors recount their flirtation with disasters as big as the Boxing Day tsunami and Bali bombings or as small and personal as getting lost or falling overboard. Alongside these all-action adventures, heavyweight surf scribes probe the undercurrents of Indonesian surf culture and attempt to plot a course using a sustainable moral compass, through this vast nation of islands. This compendium of *Stormrider Surf Stories* will delight both the road-weary Indo traveller and the inquisitive intern, looking for a good ol' yarn to read during the next flat spell.
