The Science of Herself (Outspoken Authors Book 12)

Karen Joy Fowler

The Science of Herself (Outspoken Authors Book 12) Karen Joy Fowler

Widely respected in the so-called “mainstream” for her New York Times bestselling novels, Karen Joy Fowler is also a formidable, often controversial, and always exuberant presence in Science Fiction. Here she debuts a provocative new story written especially for this series. Set in the days of Darwin, *The Science of Herself* is a marvelous hybrid of SF and historical fiction: the almost-true story of England’s first female paleontologist who took on the Victorian old-boy establishment armed with only her own fierce intelligence—and an arsenal of dino bones.
