Wanderlust: A Social History of Travel

Laura Byrne Paquet

Wanderlust: A Social History of Travel Laura Byrne Paquet

Where did passports come from? Why did 1930s stewardesses carry wrenches? And how did teetotalers shape the modern vacation? *Wanderlust* answers these questions and more, as author Laura Byrne Paquet delves into the social history of travel. Now a multi-billion dollar industry, travel is also one of the world's oldest. Paquet follows hypochondriac Greeks to the Oracle of Delphi, checks out the bedbugs in medieval coaching inns, enjoys a Finnish sauna with a group of well-bred Victorian ladies, and relaxes on a transatlantic liner with some of England's Bright Young Things from the 1920s. In breezy style, she explains the difference between a traveller and a tourist and explores the future of travel, from grand plans for commercial space travel to underwater hotels. As the book reveals, we've always loved to travel -- the only thing that keeps changing is how we get from here to there.
