**Opposites attract? Maybe not.**

Emilie Getz and Jonas Fielding are as different as two people—of the same age, with the same faith, living in the same charming Pennsylvania town—could be.

She loves history; he loves new ideas. She sticks to the rules; he likes to break them. She's into saving relics; he's into saving souls. The one trait they share is a penchant for controlling every aspect of their lives, including their stubborn hearts.

When Emilie's search for an archaeological treasure leads her to the one piece of land she can't have (thanks to Jonas), they choose opposing sides in an engaging battle of wits. Emilie, a no-nonsense sort of woman, is determined to have her way. But Jonas is on a mission as well: He wants to hear Emilie laugh. Often.

## Story Behind the Book

Though she has traveled the world, Liz Curtis Higgs is a small-town girl at heart. In *Bookends*, Liz invites readers to visit a place she knows well: her hometown of Lititz, nestled in the rolling hills of historic Lancaster County, Pennsylvania. Fond memories of her childhood years in the Moravian church—one of the oldest of the Protestant denominations—and her love for Lititz history and traditions serve as a solid underpinning for this lively contemporary tale. Like many couples, Emilie and Jonas resemble human bookends—opposites in every way—until Emilie's joy-filled spiritual awakening turns their stubborn hearts in the same happy direction.

#### Elijah McWhorter:

Do you like reading a publication? Confuse to looking for your chosen book? Or your book seemed to be rare? Why so many concern for the book? But almost any people feel that they enjoy for reading. Some people likes looking at, not only science book and also novel and Bookends or even others sources were given expertise for you. After you know how the good a book, you feel need to read more and more. Science book was created for teacher as well as students especially. Those textbooks are helping them to bring their knowledge. In additional case, beside science guide, any other book likes Bookends to make your spare time far more colorful. Many types of book like this.

#### Alfonso Unruh:

As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library in order to make summary for some e-book, they are complained. Just minor students that has reading's heart and soul or real their pastime. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Bookends can make you sense more interested to read.
