General Surgery Board Review: 1 Larry A. Scher

Now in its thoroughly updated Fourth Edition, General Surgery Board Review is indispensable for surgical residents and general surgeons preparing for the American Board of Surgery's certification and recertification examinations. This study guide maintains the core features that have made it one of the most popular board review books in the field, including questions and answers after each chapter and succinct but detailed reviews of all topic areas found on the ABSITE and certification exam. There's a new chapter on bariatric surgery and minimally invasive procedures.
