The Parables of the Tail with No Teeth: The Bureaucratic Death Spiral Patrick Fero

The Parables chronicle the life and death of a castle society strangled into a coma by a terminal case of Bureaucratitus, hardening of the hallways. A young squire, Thomas à Bucket, and his liege lord, Sir Lancelot, join the mêlée, joust with revolutionary zeal, but still cannot unhorse such stalwart practitioners of palatine politics as the Prince of the Piles, Lord Bellicose or the Parchment Patrollers (paper pushers of the first order). In the end, the nobles are led by the Wise Men, Smoke and Mirrors, into the sad Diaspora Bureaucrati. This book will help you avoid the same fate.
