White Planet: A Mad Dash through Modern Global Ski Culture Leslie Anthony

Writer and adventurer **Leslie Anthony** has spent his life on two planks, racing down hills, searching for the next perfect ride. His real baptism, however, began in the early nineties when Alaska emerged as the ski world's Next Big Thing. Steep faces and vast tracks of powder snow, were captured on film and beamed to audiences around the world. The result was a freeskiing revolution.

With insight and humor, *White Planet*, traces an arc through the new ski culture, in a rock 'n' roll adventure that follows a diaspora to far-flung corners of the globe. Along the way, **Anthony** introduces many of the daredevils, visionaries and entrepreneurs who are bringing the sport to such unexpected places as Mexico, China, Lebanon and India.
