Grown out of author Prentice Mulford's spiritual nature and study of the metaphysical and the mundane, *Your Forces and How to Use Them*, originally published in 1911, is at once a description of the mental forces we all possess and an expression of those that are not so obvious, but of which we subconsciously take part.

Touching on topics as varied and as cerebral as dream-life, memory, mesmerism, knowledge, and the power of positive thinking, this fascinating study of the psycho-spiritual is a must for anyone curious about the power of the human mind.
