**A Reasonable Faith** Tony Campolo

**A Tony Campolo Classic!**

Best-selling author and popular speaker Tony Campolo writes to communicate the faith in understandable terms to secular people steeped in contemporary ideas about the nature of things, and to clarify for Christian readers how our beliefs intersect conclusively with modern concerns. He does that with both clarity and wit.

"Where would we be without Tony Campolo? I encourage all Christians with open minds and hearts to let Tony's wisdom and passion challenge, disturb, and educate you."
