Collars and Cuffs: Book Seven

Eli may only be thirty, but he has had enough of pretend submissives. When he spies Jarod in a BDSM club, everything about the man screams submission. So what if Jarod is probably twenty years older than Eli. What does age matter, anyway? All he can see is what he's always wanted? a sub who wants to serve.

Jarod spent twenty-four years with his Master before Fate took him. Four years on, Jarod is still lost, so when a young Dom takes charge, Jarod rolls with it and finds himself serving again. But he keeps waiting for the other shoe to drop. Because there's going to come a point when Eli realizes he's a laughingstock in the club. Who would want to be seen with a fifty-year-old sub?

After several missteps, Eli realizes that in order to find happiness, they will need friends who will understand. At a friend's insistence, he visits Collars & Cuffs, where they are met with open arms. As they settle in to their new life, Eli begins to see things differently and he dares to think he can have it all. Until a phone call threatens to take it all away....
