Multiple Sclerosis For Dummies Rosalind Kalb, Barbara Giesser, Kathleen Costello
Your trusted, compassionate guide to living with MS

Being diagnosed with multiple sclerosis (MS) doesn't mean your life is over. Everyone's MS is different and no one can predict exactly what yours will be like. The fact is, lots of people live their lives with MS without making a full-time job of it.

Multiple Sclerosis For Dummies gives you accessible, easy-to-understand information about what happens with MS—what kinds of symptoms it can cause, how it can affect your life at home and at work, what you can do to feel and function better, and how you can protect yourself and your family against the long-term unpredictability of the disease. You'll learn how to make treatment and lifestyle choices that work for you, what qualities to look for in a neurologist and the rest of your healthcare team, how to manage fatigue, the pros and cons of alternative medicine, why and how to talk to your kids about MS, stress management strategies, your rights under the Americans with Disabilities act, and so much more.

- Covers major medical breakthroughs that slow the progression of the disease and improve quality of life for those living with MS
- Helps those affected by MS and their family members understand the disease and the latest treatment options
- Helpful and trusted advice on coping with physical, mental, emotional, and financial aspects of MS

Complete with listings of valuable resources such as other books, websites, and community agencies and organizations that you can tap for information or assistance, *Multiple Sclerosis For Dummies* gives you everything you need to make educated choices and comfortable decisions about living with MS.

From reader reviews:

Lynn Gowen:

Reading a reserve tends to be new life style within this era globalization. With studying you can get a lot of information that will give you benefit in your life. Along with book everyone in this world can share their idea. Textbooks can also inspire a lot of people. A lot of author can inspire their own reader with their story or even their experience. Not only the story that share in the textbooks. But also they write about the knowledge about something that you need example of this. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors in this world always try to improve their ability in writing, they also doing some research before they write to their book. One of them is this Multiple Sclerosis For Dummies.

Steve Duran:

This Multiple Sclerosis For Dummies is great reserve for you because the content that is certainly full of information for you who always deal with world and get to make decision every minute. This particular book reveal it information accurately using great manage word or we can say no rambling sentences inside. So if you are read the item hurriedly you can have whole facts in it. Doesn't mean it only offers you straight forward sentences but hard core information with beautiful delivering sentences. Having Multiple Sclerosis For Dummies in your hand like getting the world in your arm, info in it is not ridiculous 1. We can say that no reserve that offer you world with ten or fifteen tiny right but this e-book already do that. So , it is good reading book. Hey there Mr. and Mrs. occupied do you still doubt this?

Dale Winsett:

A lot of guide has printed but it differs from the others. You can get it by world wide web on social media. You can choose the top book for you, science, witty, novel, or whatever through searching from it. It is called of book Multiple Sclerosis For Dummies. You can include your knowledge by it. Without making the printed book, it could add your knowledge and make an individual happier to read. It is most important that, you must aware about publication. It can bring you from one spot to other place.

Stephen Redmond:

Reading a book make you to get more knowledge from that. You can take knowledge and information originating from a book. Book is written or printed or illustrated from each source that filled update of news. In this particular modern era like now, many ways to get information are available for you actually. From media social such as newspaper, magazines, science guide, encyclopedia, reference book, fresh and comic. You can add your understanding by that book. Isn't it time to spend your spare time to spread out your book? Or just looking for the Multiple Sclerosis For Dummies when you necessary it?
