The Dolphin People Torsten Krol

Life of Pi meets *Lord of the Flies* in *The Dolphin People*, a darkly comic “postmodern novel par excellence” (*Sydney Morning Herald*) from Torsten Krol, the author of the critically acclaimed *Callisto*. While fleeing Germany after World War II, a family arrives in Venezuela and encounters a Stone Age Amazon tribe that mistakes them for dolphins in human form. But the ruse can only protect them for so long in this madcap, imaginative tale.

From reader reviews:

Shirley Raine:

What do you in relation to book? It is not important along? Or just adding material if you want something to explain what your own problem? How about your spare time? Or are you busy man? If you don't have spare time to do others business, it is give you a sense of feeling bored faster. And you have free time? What did you do? Everyone has many questions above. They must answer that question because just their can do which. It said that about guide. Book is familiar in each person. Yes, it is suitable. Because start from on guardería until university need this kind of The Dolphin People to read.

Hae Hughes:

A lot of people always spent their particular free time to vacation as well as go to the outside with them friends and family or their friend. Did you know? Many a lot of people spent many people free time just watching TV, or playing video games all day long. If you need to try to find a new activity that is look different you can read some sort of book. It is really fun for you personally. If you enjoy the book you read you can spent the entire day to reading a reserve. The book The Dolphin People it is rather good to read. There are a lot of people who recommended this book. These folks were enjoying reading this book. When you did not have enough space to deliver this book you can buy the particular e-book. You can m0ore easily to read this book from your smart phone. The price is not very costly but this book offers high quality.

Amanda Garcia:

Playing with family in a park, coming to see the sea world or hanging out with close friends is thing that usually you might have done when you have spare time, after that why you don't try issue that really opposite from that. One particular activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love The Dolphin People, you are able to enjoy both. It is good combination right, you still would like to miss it? What kind of hang type is it? Oh occur its mind hangout guys. What? Still don't obtain it, oh come on its named reading friends.

Roberta Haile:

In this period of time globalization it is important to someone to acquire information. The information will make a professional understand the condition of the world. The condition of the world makes the information quicker to share. You can find a lot of recommendations to get information example: internet, paper, book, and soon. You will see that now, a lot of publisher which print many kinds of book. Typically the book that recommended for you is The Dolphin People this book consist a lot of the information of the condition of this world now. This specific book was represented just how can the world has grown up. The words styles that writer value to explain it is easy to understand. The writer made some study when he makes this book. Honestly, that is why this book acceptable all of you.
