As cinco fases do namoro (Portuguese Edition) Sandro Arquejada

Um relacionamento sadio não surge de imediato, mas se desenvolve e avança gradualmente. É um desenvolvimento pessoal que faz parte da Criação de Deus. Nascemos, somos educados, envolvemo-nos nas primeiras atividades sociais na escola, na igreja, entre amigos e familiares. E chega o momento quando o coração bate mais forte por alguém e queremos nos aproximar, ficar junto à pessoa o tempo todo. O que fazer? Namorar, bem mais que beijos, sentimentos e carinhos, é dispor-se a conhecer e a amar uma pessoa especial. As cinco fases do namoro é um livro que procura auxiliar jovens cristãos a encarar com maturidade e espiritualidade esta fase natural da vida, que é o momento de escolher a pessoa com quem irá se relacionar. O autor, Sandro Arquejada, preocupado com os desafios que os jovens enfrentam ao encarar a hora do namoro, reuniu neste livro valiosas informações. Começando com as questões preliminares sobre o namoro, o livro trata desde o processo de aproximação entre jovens, os desafios que a fé apresenta, o respeito e o desrespeito aos valores da fé de modo claro, a fim de dar segurança frente ao desconhecido. Diante da cultura atual que procura desvalorizar o ensino do Evangelho, este livro será um farol a orientar os jovens preocupados em preservar valores que estão acima de qualquer negociação. Foi pensando nestas questões que esta obra foi elaborada, e as etapas aqui apresentadas existem para proteger o amor. Você identificará falhas e erros muito comuns aos namoros, e talvez descubra por quais motivos alguns antigos relacionamentos não deram certo.
