The Blood of Patriots William W. Johnstone, J.A. Johnstone

The acclaimed authors of *Home Invasion* and *Border War* unload the explosive story of the deadliest conspiracy against the US in American history--and in our very own back yard. . .

God--Their God

NYPD detective John Ward is all for religious freedom, but when he tries to bust a street vendor peddling phony Rolexes, he's suspended from the force--the latest casualty of political correctness. He decides to leave the city and visit his ex-wife and daughter in Colorado. When he arrives in the peaceful town of Basalt, he makes a shocking discovery: certain foreigners are taking over, buying up buildings, purchasing land, setting up training camps and planning. . .what?

With Liberty And Justice For None

Like an army, they've descended on the town. They've set up their homes like military barracks, forcing their way of life on the community and bending our laws against us. Ward doesn't like the looks of it. And the deeper he digs, the closer he gets to the truth: *The enemy is here, on American soil.* And if we don't stand and fight--like our nation's forefathers--we can kiss freedom goodbye.
