The Holy Tortilla and a Pot of Beans Carmen Tafolla

As a helping of “down-home magical realism,” this collection of 16 short stories explores the human spirit inherent in the bilingual, bicultural world of the Texas-Mexico border. With a fresh sense of humor and human understanding, these stories skillfully bridge the gap between miracles and tragedies, prejudice and transcendence, and oppression and liberation. From the comical exploration of the hypocrisy expressed at funerals to the spiritual mission of a magical tortilla, the collection draws upon a wide range of emotions but comes together in a singular, powerful voice that reflects the holiness found in everyday life.
