The Devil is alive and well and living high off the hog in Manhattan. But when he took his spawn from their mothers six years and six months after they were born, Lucien Trucido didn't imagine he'd have his hands full with his bawdy, beautiful brood. But the lascivious hunger for flesh that Lyric, Serene, Rose, Julian, Alexander and Nico carry within them is the work of Satan himself and they test his limits. The risks they take, coupled with their poor impulse control, threaten to bring down the billion-dollar empire the Devil built. But while lust drives their bodies, revenge is wired in their brains and the hedonistic anarchists are masters of mayhem as they dole out their special form of retribution during their wicked games. The Master Captive Chronicles contains the three novellas from the hot series, Wicked Control, Wicked Playmates and Wicked Game, in the sexy, horrifying Omnibus Edition. All characters are eighteen or older.
