## **Epic: Attack of the Boggans** Annie Auerbach

From the creators of *Ice Age* and *Rio*, *Epic* tells the story of a hidden civilization. The battle between good and evil rages until a teenage girl is magically transported into this forest kingdom to help save their world, and ours.

The Jinn are tiny forest folk who love all living things. But the buglike Boggans want to destroy the forest by spreading decay. On a very important day, the Boggans attack! Will the Leafmen—the brave warriors of the Jinn—be able to defeat their sworn enemies?

Filled with full-color illustrations from the film, this 8x8 is sure to be a hit with young fans.
