Julio Camba

La casa de Lúculo (Reino de Cordelia) (Spanish Edition) Julio Camba

El espíritu viajero de Camba, que ejerció como corresponsal de prensa en Nueva York, Londres, Berlín y París no sólo le permitió conocer de primera mano las comidas y bebidas de los principales países del mundo, sino que también acabó enemistándose con el ajo, lo que prueba su carácter iconoclasta y anarquista. Todo ese saber se condensa en La casa de Lúculo, uno de sus mejores libros, donde plantea una filosofía de la vida a través del paladar, saltándose todas las fronteras conocidas e imponiendo el sentido común y el humor al arte de la gastronomía, que él siempre atribuyó a las clases medias antes que a los estómagos opulentos.
