## **Practice Resurrection Study Guide** Eugene H. Peterson, Peter Santucci

Though bringing people to new birth in Christ through evangelism is essential, says Peterson, isn't it obvious that *growth in Christ* is equally essential? Yet the American church does not treat Christian growth and character formation with equivalent urgency. We are generally uneasy with the quiet, obscure conditions in which growth takes place, and building maturity in Christ too often gets relegated to footnote status in the text of our lives.

In *Practice Resurrection* Peterson brings the voice of Scripture -- especially Paul's letter to the Ephesians -- and the voice of the contemporary Christian congregation together to unpack what it means to fully grow up "to the stature of Christ." Peterson's robust discussion will move readers to restore transformed Christian character to the center of their lives.

This helpful study guide is designed to enable small groups in schools or churches -- or even individuals -- to delve deeper into the timely wisdom of *Practice Resurrection: A Conversation on Growing Up in Christ*. Peter Santucci here breaks up Peterson's book into thirteen "sessions," each of which contains a summary, select quotes to consider, questions for interaction, and a prayer drawn from the text of Ephesians that is covered in the corresponding book chapter.
