Yeshua In The Covenants: Every Sign Foreshadows His Coming is a new covenant curriculum for children ages nine to thirteen and includes fifty-two lessons for a year's Shabbat School program. The purpose of this curriculum is to teach the covenants while linking the B?rit Hadasha with the Tanach; this is done through the use of the Connect The Root method, a feature of the newly developed Messianic Instructional Model. In the Connect The Root study, the students will participate in an in-depth scripture study. Each lesson includes a student worksheet that can be saved and used for future research or Bible study at home. We believe that you will find that this new curriculum is a very thorough study of God's word for young people.
