The Muir House Mary E DeMuth

“You’ll find home one day. Sure as sweet tea on a hot afternoon.” Words from Willa Muir’s sketchy childhood haunt her dreams and color her days with longing, regret, and fear. What do the words mean? Willa is far from sure. When Hale Landon places a ring on her finger, Willa panics, feeling she can’t possibly say yes when so much in her past is a mystery. Bent on sorting out her history, Willa returns to Rockwall, Texas, to the Muir House Bed & Breakfast, a former funeral home. But the old place holds her empty memory close to itself. Willa’s mother utters unintelligible clues from her deathbed, and the caretaker of the house keeps coveted answers carefully protected. Throw in an old flame, and Willa careens farther away from ever knowing the truth. Set in a growing suburb of Texas, *The Muir House* explores trauma, healing, love new and old, and the life-changing choices people make to keep their reputations intact.
