Top dog Duke and his crew of construction-worker dogs are hard at work building a new park. They need lots of cool equipment to help them dig, haul, push, and plow—like a backhoe, dump truck, bulldozer, and grader. But what happens when the crew finds something unexpected buried deep in the ground?

Beginning readers will love this I Can Read adventure starring a doggy construction crew! The text and art have been gently adapted from James Horvath's picture book of the same title. *Dig, Dogs, Dig* is a Level One I Can Read book, which means it's perfect for children learning to sound out words and sentences.
