Joshua Dread

Lee Bacon

Joshua Dread Lee Bacon

"Bacon's deadpan narrative hums along with outrageous details, humor, and action...A hero with a double life and a colossal set of parental issues, Joshua handles zombies, killer robots, and teenage girls without losing his cool. Bacon's affectionately playful take on the superhero genre introduces bombastic personalities without reducing the characters to caricatures." - **Publishers Weekly**

"Fast and often funny...A twisty, swiftly moving adventure sure to please superhero fans."
- **Kirkus Reviews**

"*Joshua Dread* is funny, action-packed, and a total page-turner. You'll want to read to the bitter end--unless Joshua's parents destroy the world first. Which is a distinct possibility." - **Adam Gidwitz, author of *A Tale Dark & Grimm* and *In a Glass Grimly***

"Villainy! Mayhem! Family! From supervillains to killer houseplants, *Joshua Dread* has it all. I couldn't put it down and I didn't dare, not until I'd devoured every last page!" - **C. Alexander London, author of the *Accidental Adventure* series**

When your parents are supervillains, it's hard to have a normal life. Joshua Dread tries to keep a low profile. Not even his best friend, Milton, knows his secret. Luckily Joshua's not on anyone's radar--not like Sophie, a new girl with a mysterious past who's got everyone talking. But weird stuff is happening. Pencils explode in his hand. He leaves scorched butt marks on the carpet. And he can send bullies crashing into lockers. Turns out Joshua has a superpower. But he doesn't have to use it for evil, right? His parents give him a book to explain things... but nothing can prepare him for when smoke creatures start kidnapping bad guys. *Is Joshua's family next?*

The Joshua Dread will give you a new experience in reading a book.

Dolores Young:

As a university student exactly feel bored to reading. If their teacher asked them to go to the library in order to make a summary for some publication, they are complained. Just very little students that have reading's heart or read their hobby. They just do what the professor wants, like asked to the library. They go to right now there but nothing reading critically. Any students feel that studying is not important, boring and can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we really wish for. Likewise words say, ways to reach Chinese's country. Therefore this Joshua Dread can make you experience more interested to read.

Teresa White:

Reading a book makes you to get more knowledge from this. You can take knowledge and information from your book. Book is published or printed or outlined from each source in which filled with update of news. In this particular modern era like at this point, many ways to get information are available for a person. From media social just like newspaper, magazines, science book, encyclopedia, reference book, fresh and comic. You can add your understanding by that book. Do you want to spend your spare time to spread out your book? Or just trying to find the Joshua Dread when you required it?
