Kaffe Fassett, Liza Prior Lucy

In *Kaffe Fassett Quilts Shots and Stripes*, quilt master Kaffe Fassett and coauthor Liza Prior Lucy present 24 projects—small and large, beginner and advanced—made with iridescent solid-colored cotton fabrics (called shot cottons) and woven striped cotton fabrics, all photographed in and around his weekend home on England’s southern coast. Inspired by worldwide travels and a plethora of ethnic textiles, including Amish quilts in America, Japanese indigo patched work clothes, and African weavings, the projects featured include full-size bed quilts as well as smaller pieces that can be completed more quickly, such as throws, wall hangings, table runners, and pillows. With *Shots and Stripes*, Fassett answers the current call for quilts that make bold graphic statements but are not necessarily as time-consuming as some of the work for which he has been previously celebrated.

Also available from Kaffe Fassett: *Kaffe Fassett's Bold Blooms*, *Kaffe Fassett's Simple Shapes Spectacular Quilts*, and *Kaffe Fassett: Dreaming in Color*.
