Silenced: A Novel (Fredrika Bergman and Alex Recht) Kristina Ohlsson

From “one of Sweden’s best” (*Los Angeles Times Magazine*) comes the third installment in the psychological thriller series featuring the savvy, sharp, and fearless investigative analyst Fredrika Bergman.

Fifteen years ago: A teenage girl is viciously assaulted as she picks flowers in a field one night in midsummer. The crime is never reported.

Present day: A man with no identification is killed in a hit-and-run. He is never reported missing. Across the city, a priest and his wife are found dead in an apparent suicide.

Fredrika Bergman is assigned to the case. What she and her colleagues discover is that a sinister evil, the roots of which date back decades, is the link behind these seemingly unrelated crimes. There’s a reason why none of them were ever reported, and it has to do with a shocking and horrendous cover-up unlike anything Fredrika could have possibly imagined.

Skillfully crafted and highly suspenseful, *Silenced* is a gripping thriller in which the consequences of past tragedies continue to haunt the present, reaching further and deeper than anyone ever expected.

From reader reviews:

Margaret Williams:

Are you kind of stressful person, only have 10 or 15 minute in your moment to upgrading your mind expertise or thinking skill possibly analytical thinking? Then you are receiving problem with the book than can satisfy your limited time to read it because all of this time you only find e-book that need more time to be read. Silenced: A Novel (Fredrika Bergman and Alex Recht) can be your answer given it can be read by a person who have those short time problems.

Evelyn Nielson:

That book can make you to feel relax. This kind of book Silenced: A Novel (Fredrika Bergman and Alex Recht) was bright colored and of course has pictures around. As we know that book Silenced: A Novel (Fredrika Bergman and Alex Recht) has many kinds or category. Start from kids until adolescents. For example Naruto or Private investigator Conan you can read and believe that you are the character on there. Therefore , not at all of book are generally make you bored, any it makes you feel happy, fun and unwind. Try to choose the best book in your case and try to like reading that will.

Lisa Haight:

As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just little students that has reading's internal or real their interest. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Silenced: A Novel (Fredrika Bergman and Alex Recht) can make you really feel more interested to read.

Marylou Standley:

Book is one of source of know-how. We can add our expertise from it. Not only for students but native or citizen need book to know the up-date information of year for you to year. As we know those guides have many advantages. Beside most of us add our knowledge, also can bring us to around the world. From the book Silenced: A Novel (Fredrika Bergman and Alex Recht) we can have more advantage. Don't that you be creative people? To be creative person must love to read a book. Merely choose the best book that suited with your aim. Don't be doubt to change your life at this book Silenced: A Novel (Fredrika Bergman and Alex Recht). You can more attractive than now.
