Sleepy Hollow and Other Stories (Vintage Classics) Washington Irving

There is a sequestered glen off the east coast of the Hudson, New York state, which has long continued under the sway of some witching power; the neighbourhood abounds with tales, haunted spots and twilight superstitions. But as hapless schoolmaster Ichabod Crane will discover, the wildest of all stories in this region of shadows relate to one particularly dreadful spectre - the Headless Horseman of Sleepy Hollow.

Washington Irving's comic horror story is the best known of this collection of stories, observations and sketches written on his travels around Britain and America in the eighteenth century. Also includes 'Rip Van Winkle' and 'Little Britain'.
