The Genius of Opposites: How Introverts and Extroverts Achieve Extraordinary Results Together

Jennifer B. Kahnweiler

Better Together

FDR and Eleanor. Mick and Keith. Jobs and Woz. There are countless examples of introvert-extrovert partnerships who make brilliant products, create great works of art, and even change history together. But these partnerships don't just happen. They demand wise nurturing.

The key, says bestselling author Jennifer Kahnweiler, is for opposites to stop emphasizing their differences and use approaches that focus them both on moving toward results. Kahnweiler's first-of-its-kind practical five-step process helps introverts and extroverts understand and appreciate each other's wiring, use conflicts to spur creativity, enrich their own skills by learning from the other, and see and act on things neither would have separately. Kahnweiler shows how to perform the delicate balancing act required to create a whole that is exponentially greater than the sum of its parts.
