100 Promises to My Baby Mallika Chopra

As she eagerly awaited the birth of her first child, Mallika Chopra began to craft a unique gift that would express her profound loving commitment to the baby growing inside of her.

100 Promises to My Baby is that gift--one that reflects her deep awareness of the sacred responsibilities of parenthood. Here the author shares the vows she made to help her child--and all children--grow up feeling cherished and secure, look at the world with wonder and curiosity, and learn spiritual values that enrich life and contribute to making the world a better place. Accompanying the 100 promises are short essays, reflections, poems, and stories that have inspired the author throughout her life--and that will inspire readers to think about their own lives, values, and beliefs, and what they would like to pass on to their children.
