## **Ate It Anyway (Flannery O'Connor Award for Short Fiction)** Ed Allen

In the limbo bounded by rebellion and resignation, belonging and solitude, Ed Allen's middle Americans seem to be either freely adrift or uncomfortably vested in an exit strategy wholly inadequate for their circumstances. These sixteen darkly humorous stories gauge the tension between what we really feel and what we outwardly express, what we should do and what we manage to get done.

In "Celibacy-by-the-Atlantic," Phil negotiates a lingering, low-intensity regret brought on by the annual family get-together at his parents' beach house, where memories of his aimless, privileged adolescence mingle with forebodings of his aimless, privileged middle age. In "A Lover's Guide to Hospitals," Carl lies in bed, pining over a stillborn romance through a moody, post-op haze of painkillers. As a consoling needle through the heart, the object of Carl's unrequited affections also turns out to be his nurse.

In "Burt Osborne Rules the World," a precocious boy ponders his childhood in "a world protected against anything you could imagine doing to make it more interesting." Sensing that only more of the same awaits him as an adult, Burt charts a different course--as a class clown with a truly toxic sense of mischief. Others, like Lydia in "Ralph Goes to Mexico," assert their individuality more effortlessly, for they're just too naturally odd to be cowed by convention. Lydia's dilemma is whether she should have her leukemic cat stuffed and mounted or turned into a hat after he dies.

These lyrical tales celebrate the ordinary--and the not so ordinary--with a flourish of Nabokovian wit that combines grandeur, kitsch, and the author's broad empathy with his characters.

Should you did not have enough space to develop this book you can buy the e-book. You can m0ore simply to read this book through your smart phone. The price is not too expensive but this book has high quality.

#### **Linda Hill:**

As a pupil exactly feel bored to be able to reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just little students that has reading's heart and soul or real their leisure activity. They just do what the professor want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that looking at is not important, boring as

well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Ate It Anyway (Flannery O'Connor Award for Short Fiction) can make you truly feel more interested to read.
