Companion Guide to Pope Benedict's the Fathers Mike Aquilina

Popular author Mike Aquilina's encyclopedic knowledge of the Church Fathers intersects seamlessly with Pope Benedict XVI's insightful reflections about them in this faith-building companion guide.

It shows that the Fathers are much more than wise men from ages past who sacrificed their lives for what they believed: they are teachers and philosophers, orators and pastors, leaders and problem solvers, martyrs and heroes whose stories and example are still relevant today.

Discover a wealth of inspiration and insight on twenty-six Fathers of the Church as well as thoughtful reflection/discussion questions on what His Holiness and the Fathers have said. Divided into six sections, the Companion Guide to Pope Benedict's The Fathers provides an easy road map for parish study groups or independent study.
