## **Depressão e Obsessão (Portuguese Edition)** Alírio de Cerqueira Filho

O distanciamento da criatura da própria Essência Divina pelo culto à matéria produz graves consequências. Uma delas é a depressão, concomitantemente com o processo de obsessão que também vem aumentando cada vez mais intensamente. Em sua maioria, as obsessões são silenciosas. A pessoa obsidiada não se dá conta do processo, pois a obsessão está associada com as doenças de caráter emocional, especialmente a depressão, a ansiedade generalizada, a síndrome do pânico, o transtorno bipolar, as fobias etc. e até com muitas somatizações. Este livro aborda como se instalam ambos os processos, o depressivo e o obsessivo, a maneira de fazermos o tratamento e, principalmente, a profilaxia para que possamos evitar essas graves enfermidades espirituais.
