Shell Scott. He's a guy with a pistol in his pocket and murder on his mind. The crime world's public enemy number one, this Casanova is a sucker for a damsel in distress. When a pair of lovely legs saunters into his office, he can't help but take the job, even when the case is a killer. He's South of the border and crackin' down on crime. There's a fierce crime wave running rampant throughout Mexico that's got Shell in the mood for some hot tamales, wet tequila and justice. But who would have guessed that the police are involved in the scam? Shell's got his work cut out for him, but that doesn't mean there's no time for some sexy señoritas.
