The Talmud Unmasked - The Secret Rabbinical Teachings Concerning Christians I. B. Pranaitis

Originally published in 1892, this early work on the Talmud is both expensive and hard to find in its first edition. It details the theology and history of the book and is a fascinating work recommended for anyone interested in the history of Judaism. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
