Gloucestershire 300 Years Ago Alan Pilbeam

Sir Robert Atkyns's *Ancient and Present State of Glostershire*, which appeared in 1712, was the first published survey of the county. Alan Pilbeam's *Gloucestershire 300 Years Ago* is written to celebrate Atkyns's achievement and to present his information in a more accessible form. Atkyns's work is critically assessed with reference to other sources and used as a basis for comparison with today's landscape. Fully illustrated in both colour and black and white, it includes a gazetteer of places to visit and analysis of the spatial pattern of Atkyns's data. Published to mark the tercentenary of this important work, *Gloucestershire 300 Years Ago* is a must-read for anyone interested in the history of the county and in local history more generally.
