“*Hostile Takeover* is essential reading for anyone looking to understand how individual freedom can prevail in a world of decentralized information. Matt Kibbe and this book provide us all with a roadmap on how to take back our lives, liberties, and responsibilities.”

—Glenn Beck

Matt Kibbe, the high-profile leader of FreedomWorks—who Geraldo Rivera calls “a warrior for the cause of limited government”—now offers an intelligent, aggressively argued attack on the American federal government machine in Washington, D.C. In *Hostile Takeover*, Kibbe, co-author of the #1 bestseller *Give Us Liberty*, provides a blueprint for “resisting centralized government’s stranglehold on America,” in order to return the nation to the more workable system our Founding Fathers originally intended.
