Letters of Mistress Henley Published by Her Friend (Texts & Translations)

Letters of Mistress Henley Published by Her Friend (Texts & Translations)

Considered by many scholars to be among the most brilliant novels written in French during the eighteenth century, *Lettres de Mistriss Henley publiées par son amie* was composed as a response to Samuel de Constant's misogynist novel, *The Sentimental Husband* (1783). Charrière presents six letters penned by a Mistriss Henley, who has chosen a decent and affectionate man as her life's companion only to discover that she cannot bear sharing his life. An immediate success on its publication in 1784, *Mistriss Henley* was greeted with acclaim and controversy: one reader called the book "literarily excellent" but "morally dangerous in various ways." Remarkable for its empathy for both spouses, *Mistriss Henley* is not only a moving work of fiction but also one of the most modern novels of its day.
