The brief life of Sumi, a coho salmon, is the subject of this lyrical picture book. All phases of Sumi's life are shown, from her trip downriver to the ocean; to her time as a mature fish swimming in the great seas; to the most mysterious period in her life cycle — the determined return against great obstacles to the remote creek of her birthplace. Annette LeBox's poetic yet scientifically accurate text and Karen Reczuch's shimmering illustrations offer young readers a lesson in ecology and a moving story of the natural world.
