The Coal Man works hard all year, searching dark mines for the coal that Santa Claus drops into the stockings of naughty boys and girls. He's saving up money to take himself, his mule, and his trusty canary to a sunny island.

This year, when the Coal Man makes his delivery to the North Pole, he gets a big surprise. Santa's not using coal anymore! Will the Coal Man ever get his day in the sun? With a little Christmas magic, he just might.
