The Real Diana

Lady Colin Campbell

The Real Diana Lady Colin Campbell

Royal insider Lady Colin Campbell was the first to predict the Waleses' separation and divorce, in her international bestseller, *Diana in Private*. People magazine said of it: 'Some Palace watchers note that she has an impressive roster of well-placed contacts and credit her with writing the most believable Diana biography'; while Lynn Barber, in the Daily Telegraph, called it 'Jaw-droppingly sensational'. The Real Diana contains startling new revelations about Diana which Lady Colin Campbell has unearthed since Diana's tragic death, including new theories on her death itself. The Real Diana is based on 35 interviews with Princess Diana conducted by Lady Colin Campbell - and for the first time Lady Colin Campbell names her Royal sources. 'Diana said that she wanted me to write the truth about her life 'because I feel as if the whole fairy tale is crushing whatever's left of the real me...If you'd just write about the real Diana, it would make all the difference.' NEWLY UPDATED in 2013 with an Afterword that reveals Lady Colin's insights into the inquest into Diana's death, the years that have followed, and the birth of Prince George.
